Breast Cancer Support Organization

January 01, 2023

Attention Physicians and Office Personnel:

Attached is Breast Cancer Awareness Cumberland Valley's (BCA-CV) updated waiver form. They must meet the program guidelines as follows:

- The program is only available for individuals that ***do not*** have insurance ***and***
- Live in our service area (Frederick and Washington Counties in Maryland; Franklin and Fulton Counties in Pennsylvania; and Berkeley, Jefferson, and Morgan Counties in West Virginia).

Please note that the Breast Cancer Awareness - Cumberland Valley Mammogram Program is designed to cover the cost of the patient's annual mammogram and a second "call-back" Mammogram or Ultrasound if necessary. Any exception to these guidelines must be discussed with and approved by BCA-CV prior to the imaging services being completed for us to consider payment. Please begin using this updated waiver form immediately and make additional copies as needed. If your supply of pink voucher cards is low, please call the BCA-CV office to request additional cards.

The waiver form including both the physician's signature and patient's signed statement (that patient does not have medical insurance) MUST be FAXED to our office upon completion. Waivers and patient disclosures that are not received in a timely way could result in the patient's imaging bill being denied. Our fax number is: 301-797-4090.

All waiver forms are valid for one year from the date of signature.

If you have any questions, please call our office between 8:30 am and 4:00 pm at 301-791-5843.

Thank You,

Stacy Horst
